Dear Dimitris & Medea,

Thanks for this fantastic trip and experience that you and Alegria offered to our family.

We learnt to love the sea, Greece, our improvised parties and its wonderful people (and food...).

You managed to exceed any expectations that we could have and kids look forward for a big party together one day in Ios!

We wish you keep the friendly, casual, peaceful and professional approach, in all future ventures.

We look forward to see you and the Alegria in the future.

From the beginning I knew that this experience would be great,
but in the end it was even better than I ^{initially} thought. I want to say
a huge thanks to ~~the~~ Dimitris and Medea ~~for~~ who were very
helpful and friendly during our accommodation to their Catamaran.
^{In addition} We saw ~~some fantastic~~ places and swam in some fantastic
Sea spots that we wouldn't be able to even imagine without their
help. I ~~hope that~~ really hope ~~I~~ to repeat this type of vacations
with Alegria ~~in order~~ as soon as possible, in order to explore
and admire other hidden paradises of Greece.

We had an amazing week on Alegria with Dimitris & 'Dina':
a premium sailing experience on this luxury catamaran! Every detail
on the boat has been thought about and is the best: airco, wifi, towels,
bathrooms, big beds & great pillows, beautiful lighting of the boat and
fun with the sup boards, wake boarding and the final surprise:
the floating pillow!!

The crew took us to beautiful bays - every night was another quiet spot - with natural beauty, incredible coloured water - especially Zakynthos was amazing! Spend some more nights there as it is unique scenery.

And then the meals: 3 times a day - a new Greek food experience:
Simply wonderful.

Simply wonderful.
Finally the crew themselves: just wonderful sweet people, very nice to be with and a very experienced captain! we loved it - thank you
XXX 😊

Phantastic cruise - phantastic experience

We enjoyed a wonderful week on Alegria starting from Larnaca and finally disembarking in Picos. More than enough wind + waves but no rain at all! Shipper Alex and host Antony made everything to sail us. Alex was the rock in the gust; Antony the magician in the kitchen. Thank you very much - we will come back

FOOD OUTSTANDING! BOAT MANAGEMENT SUPERB! (AT AMAZINGLY AFFORDABLE!) ITINERARY AND FLEXIBILITY MADE THE TRIP FIT OUR NEEDS PERFECTLY. KELLY DID TOO MUCH FOR US. CAPTAIN WAS A JOULLETIER. THANK YOU SO MUCH FOR ALLOWING US FRIENDS (6) TO RETIREMENT AND ENJOY. HAPPY

This was an unbelievable experience. Dimitris and Kelly were wonderful. I wish we didn't have to leave. Paula / Impossible to describe this trip - so many sights - I could not imagine a better skipper and better hostess than Dimitris and Kelly - every aspect of our week was perfect - THANK YOU! - Blair

Captain & Kelly were amazing. Such great stops, great food, and they took such great care of us. We had a wonderful trip and would definitely recommend it to others. Yvette Antoniou

Alegria - It is an experience that will hold on to you for a life time.
Captain Dimitris, 1st mate, hostess Kelly made the trip exceptional. Saw sites
of incredible beauty, went to incredible villages, saw water so blue it looked
fake, and was waited on like a king. I am a sailor and to watch Dimitris skill
on the boat had me in awe. We left the boat planning our next trip and
discussing how we could get our same crew. This is a trip of a lifetime. Greece
has a lot to offer - many wondrous sites and Alegria crew - Captain and mate
made this week incredible. - Thank you Dimitris & Kelly for a great time

Vou sentir saudades deste paraíso,

Com carinho,

What an unforgettable Trip! Truly remarkable, as were the hosts. Both Adonis and Dimi showed me a side of Greece I'd never seen before; not only did they show me its beauty, they've shown me how incredibly charming the language is and every single bite of food, a new symphony, telling me more about the country and its inhabitants. I couldn't be more thankful to these amazing hosts who have shown us nothing more than kindness, respect, friendliness, helpfulness and ~~overall~~ overall the best of times.

Dear Dimitris & Tina,

After having such a great experience sailing on the Alegria in 2022, we decided to come back and see a different area. As expected, Dimitris was a fabulous captain who was able to rearrange our itinerary on short notice due to weather conditions. We saw many amazing places. Tina is a joy to be around. She cooks much healthier food than I would normally eat and create delicious meals out of ingredients that I didn't think I'd like. Thank you both for your hospitality and professionalism.

DIMITRIS + TINA--

My 2nd trip with the Alegria. Thank you so much for allowing me to experience a less touristy part of Greece that resonates traditional Greek lifestyles. It is enjoyable to visit the country of my ancestors-- with trips from 1977 to the two voyages with you (2022 + 2024).

Your hard work; kindness; professionalism are so appreciated. The Alegria is an amazing "home"... the food outstanding. Hopefully your other guests may even experience the excitement of "the Oino Ball"!

What an incredible trip!

Having never been on a Catamaran before, we didn't really know what to expect. But this trip has been one of the most memorable family holidays we have ever had. From the first minute we arrived on the boat to the minute we left, nothing has been too much trouble.

We have visited some amazing towns & villages & experienced 5* dining at breakfast, lunch & dinner from Konstantina. Dimitris is an incredible captain & is always there to explain where we are going, the history of the local area, as well as the fun stuff, like water sports (he even got the boys up on the wakeboard!)

Nothing is too much trouble (they even managed to find us a bar in a local village to watch England play, very badly, in the Euros!)

This has been an
incredible experience & we will
definitely be back (for longer next
time!)

Thanks for the memories & keep up the amazing
work. Steve x Clare x Ellison x Fred x

In behalf of the families ~~being there~~ and ~~being there~~ we wanted to express our gratitude to both Dimitris and Tina for this amazing experience.

They made us feel safe and comfortable while having fun with them in the Alegria 47 boat. Not only did we visit places with beautiful scenery, but we also did extra activities that are now great memories.

Dimitris was helpful and always had a smile on his face, even when we asked him time after time to use the wake surfer (which was really fun by the way). We felt safe at all times as he was the best ship skipper we could have asked for.

We actually wanted to kidnap Tina as she was such a good cook and her meals were delicious every single time. Not only her skills in the kitchen were out of this world, but she was kind and fun and the nicest person ever, she was lovely.

The only negative ~~thing~~ take of this trip, it's that it had to end, thank you very much.
